 Auberge Resorts Collection

The Pure State of AltaGracia

RESORT

Located near one of the world's five "blue zones", Hacienda AltaGracia sits in the foothills of the Talamanca Mountains on 180 bird-song filled acres of coffee farm, equine stables and untamed rainforest bringing you closer to nature in its purest form. An escape for those seeking total wellbeing, balance at AltaGracia is found merging soul-stirring wellness, sustainably minded culinary and heart pounding adventure through a bespoke itinerary, designed to elevate your experience and leave you transformed.

LOCATION

In the mountains of Pérez Zeledón in the southern region of Costa Rica, Hacienda AltaGracia is perched above the cloud line in rolling hills, with sweeping views of the San Isidro Valley and the nearby mountains. Accessible via international airports in San José or Liberia, connecting flights are available via complimentary shared charter or private charter landing directly on our resort airstrip, or at Pérez Zeledón airport with a 35-minute vehicle transfer to property. For those who prefer land travel, private vehicle transfer via a mountain or ocean route offer a scenic four to six hour drive through magical Costa Rica.

WELLNESS

Nestled within the lush embrace of Costa Rica's Talamanca Mountains, Casa de Agua is a gateway to renewal, where the rhythms of nature and the wisdom of longevity intertwine. Designed for those seeking total well-being, our experienced spa invites you on a transformative journey—one that awakens vitality, restores balance, and reconnects you with the simple joys of life. As the home of the Estée Lauder Skin Longevity Institute at Hacienda AltaGracia, Casa de Agua offers exclusive skincare treatments powered by over 15 years of Longevity Skin Science and Re-Nutriv's patented SIRTIVITY-LP™ technology—expertly crafted to restore radiance, improve firmness, and revitalize skin from within.

DINING

A celebration of Costa Rican indigenous life, the restaurants at Hacienda AltaGracia are inspired by the seasons and the incredible flora and fauna of the region.

Mercado Costa Rican coffee, pastries and take-away options for a day spent exploring.

Grano A pure, soulful expression of Costa Rican ingredients and Latin American culinary rituals, Grano is the chef's laboratory.

Picoteo Rustic classic cuisine informed by local ingredients for lunch at our family pool.

Las Brisas Offering a rotating menu that includes items from Picoteo and classic poolside favorites.

Cienfuegos This lively dinner experience spotlights a simple land and sea menu cooked over open fire, featuring a traditional rodeo show.

El Cultivo The Chef's garden, punctuated by an open-air kitchen which plays host to a series of workshops, celebrating seasonal ingredients.
